

100 Days of School Booklet

What You Need

- stapler
- pencils
- crayons or colored pencils for students

What You Do

1. Print the pages one-sided.
2. Fold the pages in half.
3. Put the pages in order.
4. Staple the pages together on the staple marks on the title page.
5. Distribute one book per student.
6. Have students count the number of animals on the page, then color the pictures.
7. After students finish coloring each page, lead students in counting by 10s to 100 as they point to each number on the back of the booklet.

100 Days Maze

Help the mommy feed the baby.

Draw a line from 1 to 100.

The squares must touch so that you can draw a line through them.

Then color the picture.

Answer Key

Grades K-1

100 Days Maze

Help the mommy feed the baby.
 Draw a line from 1 to 100.
 The squares must touch so that you can draw a line through them.
 Then color the picture.
