

# I **Go** to Kindergarten

*(Sing to the tune of “You are My Sunshine”)*

**I go** to kindergarten, I **learn** at kindergarten

**I follow** a schedule – of things to do

**I line up** quietly, I **raise** my hand,

**I wait** my turn to share what I’ve learned.

**I go** to kindergarten, I **play** at kindergarten,

**I make** friends – with boys and girls,

We **eat** our snacks, we **play** at recess,

We **sing** songs about what we’ve learned.
